

I am grateful and humbled by the opportunity bestowed upon me by our Excellence in Leadership Academy (ELA) Board of Directors to serve as ELA's superintendent. ELA will continue with our vision: To provide a quality educational environment that inspires each student to develop leadership skills with a spirit of EXCELLENCE. My educational experience consists of over 20 years as a teacher and administrator. Prior to being an educator, I served in the United States military. I look forward to continuing to serve our ELA students, staff, and community.

Respectfully,

Dr. Raul Nava

Superintendent

Espero continuar sirviendo nuestros estudiantes, personal y comunidad de ELA.
