### **INDEPENDENT AUDITORS' REPORT**

Board of Directors  
Excellence in Leadership Academy  
Mission, Texas

Members of the Board of Directors:

We have audited the accompanying financial statements of Excellence in Leadership Academy (a non-profit organization) which comprise the statement of financial position as of August 31, 2020 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Excellence in Leadership Academy as of August 31, 2020, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

***Other Matters***

Our audit was conducted for the purpose of forming an opinion on the financial statements of Excellence in Leadership Academy, taken as a whole. The other supplementary information is likewise presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

***Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 25, 2021 on our consideration of Excellence in Leadership Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Academy**

The Excellence in Leadership Academy (ELA) is a non-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Academy is governed by the Board of Directors. The Board of Directors is selected pursuant to the bylaws of the Academy and has the authority to make decisions, appoint the officers of the Academy and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the Academy.

The Academy operates under an open enrollment charter granted by the Texas State Board of Education. The charter was initially issued for a period of five years. The school is part of the public school system of the state and is entitled to distribution from the State's available school fund. However, the School does not have the authority to impose taxes.

Excellence in Leadership Academy currently services Pre-K to 8<sup>th</sup> grade students. Highlights of their services to their students and community include highly qualified and committed staff, state of the art technology, and family and community involvement. The Academy offers dual language programs, smaller learning communities, and integration of college and career readiness standard.

The charter holder operated only a single charter school and did not conduct any other charter or non-charter activities.

**B. Basis of Presentation**

The combined general-purpose financial statements include the accounts of Excellence in Leadership Academy. All significant intercompany accounts and transactions have been eliminated in the combined general-purpose financial statements.

The financial statements of the Academy have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Academy to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Academy management and the board of directors.

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):**

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Association or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

C. Fixed Assets and Depreciation

All purchased fixed assets are valued at cost or estimated cost. Donated assets are reported at the fair market value at time of acquisition. Fixed assets are defined by the Academy as capital assets with an individual cost of more than \$1,000. Depreciation of building improvements and equipment is provided over the estimated useful lives of the assets on a straight-line basis.

D. Revenues

Revenues from the state's available school fund are based on reported attendance. State foundations revenues are public funds held in trust by the charter holder for the benefit of the students of the charter school and as such are reported as temporarily restricted revenues.

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Governmental grant contracts that are entered into by the School are recognized as revenue when services are rendered or when the expenses in connection with those services are incurred.

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):**

E. Donated Goods and Services

Donated goods and services that can be measured and meet certain other requirements are recorded in the financial statements as in-kind contributions and expenses of a like amount.

F. Cash and Cash Equivalents

For financial statement purposes, the company considers all highly liquid investment instruments with an original maturity of three months or less to be cash equivalents.

G. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparation of the financial statements in conformity with generally accepted accounting principles, management's estimates were considered for depreciation.

H. Functional expenses

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

<u>Expense</u>	<u>Method of Allocation</u>
Salaries and wages	Time and Effort
Benefits	Time and Effort
Payroll Taxes	Time and Effort
Rental Expense	Square Footage
Contracted Services	Full Time Equivalent
Maintenance and Repair	Time and Effort
Utilities	Square Footage
Depreciation	Square Footage
Supplies	Time and Effort
Travel	Time and Effort
Instructional Materials	Time and Effort
Insurance and Bonding	Square Footage
Professional Fees and Dues	Full Time Equivalent
Other	Time and Effort

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**2. AVAILABILITY AND LIQUIDITY**

The following represents the Academy financial assets at August 31, 2020:

Financial assets at year end:		<u>2020</u>
Cash in bank		\$ 880,164
	Total financial assets	880,164
Less amounts not available to be used within one year:		
Net assets with donor restrictions		473,353
Less net assets with purpose restrictions to be met in less than a year		-
Quasi endowment established by the board		-
		<u>473,353</u>
Financial assets available to meet general expenditures over the next twelve months		<u>\$ 406,811</u>

As part of the Academy’s liquidity management, it structures its financial assets to be available as its general expenditures and liabilities become due by maintaining a significant portion of its assets in cash.

**3. FAIR VALUE MEASUREMENT OF FINANCIAL STATEMENTS**

The requirements of Fair Value Measurements and Disclosures of the FASB Accounting Standards Codification (ASC) apply to all financial instruments and all nonfinancial assets and nonfinancial liabilities that are being measured and reported on a fair value basis. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB also establishes a fair value hierarchy that categorizes the inputs used in valuation methodologies into three levels.

Inputs may be observable or unobservable. Observable inputs are inputs that are developed using market data, such as publicly available information about actual events or transactions, and the reflect the assumptions that market participants would use when pricing the asset or liability. Unobservable inputs are inputs for which market data are not available and that are developed using the best information available about the assumptions that market participants would use when pricing the asset or liability. A three-tier hierarchy categorizes the inputs used to measure fair value as follows:

Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**3. FAIR VALUE MEASUREMENT OF FINANCIAL STATEMENTS (Continued):**

Level 2 Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 Unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

The Academy does not have any financial instruments that apply to this three-tier hierarchy.

**4. CONCENTRATIONS**

**A. Cash in Bank**

The Academy maintains bank accounts with Chase Bank. Federal deposit insurance on the Chase Bank accounts totaled \$250,000 on accounts. The book balance totaled \$880,164 and the bank balance totaled \$942,636 on August 31, 2020. The Academy maintains its cash with high quality financial institutions which the Academy believes limits these risks.

**B. Revenues**

The principal source of revenue for the Academy is its receipt of state program revenues received from the Texas Education Agency.

**5. PENSION DISCLOSURE**

The Academy participates in a cost-sharing multiple-employer defined benefit pension that has a special funding situation. The plan is administered by the Teacher Retirement System of Texas (TRS). TRS's defined benefit pension plan is established and administered in accordance with the Texas Constitution, Article XVI, Section 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution. The pension's Board of Trustees does not have the authority to establish or amend benefit terms.

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**5. PENSION DISCLOSURE (continued)**

Detailed information about TRS' fiduciary net position is available in a separately issued Comprehensive Annual Financial Report (CAFR) that includes financial statements and required supplementary information. That report may be obtained on the Internet at [https://www.trs.texas.gov/Pages/about\\_publications.aspx](https://www.trs.texas.gov/Pages/about_publications.aspx); by writing to TRS at 1000 Red River Street, Austin, TX, 78701-2698; or by calling (512) 542-6592.

All employees of public, state-supported educational institutions in Texas who are employed for one-half or more of the standard work load and who are not exempted from membership under Texas Government Code, Title 8, Section 822.002 are covered by the system.

Name of Plan: Teacher Retirement System of Texas  
Plan Number: N/A  
Zone Status: Unknown

	(number in thousands)
1. Total Plan Assets	\$ 181,800,159
2. Accumulated Benefit Obligations	209,961,235
3. The plan is 75.24% funded	

**Benefits Provided**

TRS provides service and disability retirement, as well as death and survivor benefits, to eligible employees (and their beneficiaries) of public and higher education in Texas. The pension formula is calculated using 2.3 percent (multiplier) times the average of the five highest annual creditable salaries times years of credited service to arrive at the annual standard annuity except for members who are grandfathered, the three highest annual salaries are used. The normal service retirement is at age 65 with 5 years of credited service or when the sum of the member's age and years of credited service equals 80 or more years. Early retirement is at age 55 with 5 years of service credit or earlier than 55 with 30 years of service credit. There are additional provisions for early retirement if the sum of the member's age and years of service credit total at least 80, but the member is less than age 60 or 62 depending on date of employment, or if the member was grandfathered in under a previous rule. There are no automatic post-employment benefit changes; including automatic COLAs. Ad hoc post-employment benefit changes, including ad hoc COLAs can be granted by the Texas Legislature as noted in the Plan description in (A) above.

Texas Government Code section 821.006 prohibits benefit improvements, if, as a result of the particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action.

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**5. PENSION DISCLOSURE (continued)**

In May, 2019, the 86<sup>th</sup> Texas Legislature approved the TRS Pension Reform Bill (Senate Bill 12) that provides for gradual contribution increases from the state, participating employers and active employees to make the pension fund actuarially sound.

**Contributions**

Contribution requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas legislature to establish a member contribution rate of not less than 6% of the member’s annual compensation and a state contribution rate of not less than 6% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year.

Employee contribution rates are set in state statute, Texas Government Code 825.402. Senate Bill 12 of the 86<sup>th</sup> Texas Legislature amended Texas Government Code 825.402 for member contributions and established employee and employer contribution rates for fiscal years 2020 thru 2025.

<b>Contribution Rates</b>		
	<b>2020</b>	<b>2019</b>
Member	7.7%	7.7%
Non-Employer Contributing Entity (State)	7.5%	6.8%
Employers	7.5%	6.8%
2020 Employer Contributions		\$ 151,137
2020 Member Contributions		\$ 139,372

Contributors to the plan include members, employers and the State of Texas as the only non-employer contributing entity. The State contributes to the plan in accordance with state statutes and the General Appropriations Act (GAA).

As the non-employer contributing entity for public education and junior colleges, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year reduced by the amounts described below which are paid by the employers. Employers (public school, junior college, other entities or the State of Texas as the employer for senior universities and medical schools) are required to pay the employer contribution rate in the following instances:

**EXCELLENCE IN LEADERSHIP ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
For The Fiscal Year Ended August 31, 2020

**5. PENSION DISCLOSURE (continued)**

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under Section 21.402 of the Texas Education Code.
- During a new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.
- When the employing district is a public or charter school, the employer shall contribute 1.5% of covered payroll to the pension fund beginning in fiscal year 2020. This contribution rate called the Public Education Employer Contribution will replace the Non(OASDI) surcharge that was in effect in fiscal year 2019.

In addition to the employer contributions listed above, there are two additional surcharges an employer is subject to.

- When employing a retiree of the Teacher Retirement System the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

**12. PAYCHECK PROTECTION PROGRAM LOAN**

On June 23, 2020, the Academy entered into an unsecured Small Business Administration (SBA) Paycheck Protection Program (PPP) Loan with Chase Bank in the amount of \$295,170. Due to the loan being recommended for forgiveness by the financial institution based on the application that will be, but has not yet been submitted to the SBA, the Academy chose to recognize the amount as a current liability on August 31, 2020. As of August 31, 2020, the loan has yet to be forgiven and if the total balance is not forgiven, the terms of the balance will be determined at the time of forgiveness.

**13. EVALUATION OF SUBSEQUENT EVENTS**

The Academy has evaluated subsequent events through January 25, 2021, the date which the financial statements were available to be issued.

The 2020 COVID-19 (Coronavirus) pandemic has caused extensive disruptions to businesses in America and the entire World. In the face of these disruptions, the fluid situation has become difficult to assess the likely impact to not only the economy in America but also the local economy. The Academy is striving to be highly attuned and is maintaining a heightened state of readiness for the principal risks and increased uncertainties ahead. Given the potential for rapid spreading of the virus, management will be evaluating the current and potential effects on its operations and financial reporting.

**Independent Auditors' Report on Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an Audit of Financial  
Statements Performed In Accordance with Government Auditing Standards**

Board of Directors  
Excellence in Leadership Academy

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Excellence in Leadership Academy (a non-profit organization), which comprise the statement of financial position as of August 31, 2020, and related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 25, 2021.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Excellence in Leadership Academy's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Excellence in Leadership Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of Excellence in Leadership Academy's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we considered to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Excellence in Leadership Academy's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, the communication is not suitable for any other purpose.
