#### INDEPENDENT AUDITORS' REPORT

Board of Directors Excellence in Leadership Academy Mission, Texas

Members of the Board of Directors:

We have audited the accompanying financial statements of Excellence in Leadership Academy (a non-profit organization) which comprise the statement of financial position as of August 31, 2019 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Excellence in Leadership Academy as of August 31, 2019, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

#### New Accounting Pronouncement

As described in Note 1 to the financial statements, the Montessori Association of South Texas adopted a new accounting guidance. On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and lack of consistency in the type of information provided about expenses and investment return. The Montessori Association of South Texas has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

#### Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements of Excellence in Leadership Academy, taken as a whole. The other supplementary information is likewise presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

#### Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 27, 2020 on our consideration of Excellence in Leadership Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## A. Academy

The Excellence in Leadership Academy (ELA) is a non-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Academy is governed by the Board of Directors. The Board of Directors is selected pursuant to the bylaws of the Academy and has the authority to make decisions, appoint the officers of the Foundation and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the Academy.

The Academy operates under an open enrollment charter granted by the Texas State Board of Education. The charter was initially issued for a period of five years. The school is part of the public school system of the state and is entitled to distribution from the State's available school fund. However, the School does not have the authority to impose taxes.

Excellence in Leadership Academy currently services Pre-K to 8<sup>th</sup> grade students. Highlights of their services to their students and community include highly qualified and committed staff, state of the art technology, and family and community involvement. The Academy offers dual language programs, smaller learning communities, and integration of college and career readiness standard.

The charter holder operated only a single charter school and did not conduct any other charter or non-charter activities.

#### B. Basis of Presentation

The combined general-purpose financial statements include the accounts of Excellence in Leadership Academy. All significant intercompany accounts and transactions have been eliminated in the combined general-purpose financial statements.

The financial statements of the Academy have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Academy to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Academy management and the board of directors.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Association or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

## C. Fixed Assets and Depreciation

All purchased fixed assets are valued at cost or estimated cost. Donated assets are reported at the fair market value at time of acquisition. Fixed assets are defined by the Academy as capital assets with an individual cost of more than \$1,000. Depreciation of building improvements and equipment is provided over the estimated useful lives of the assets on a straight-line basis.

#### D. Revenues

Revenues from the state's available school fund are based on reported attendance. State foundations revenues are public funds held in trust by the charter holder for the benefit of the students of the charter school and as such are reported as temporarily restricted revenues.

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed property and equipment are recorded at fair value at the date of donation. Contributions with donor-imposed stipulations regarding how long the contributed assets must be used are recorded as net assets with donor restrictions; otherwise, the contributions are recorded as net assets without donor restrictions.

Governmental grant contracts that are entered into by the School are recognized as revenue when services are rendered or when the expenses in connection with those services are incurred.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

#### E. Donated Goods and Services

Donated goods and services that can be measured and meet certain other requirements are recorded in the financial statements as in-kind contributions and expenses of a like amount.

## F. Cash and Cash Equivalents

For financial statement purposes, the company considers all highly liquid investment instruments with an original maturity of three months or less to be cash equivalents.

#### G. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparation of the financial statements in conformity with generally accepted accounting principles, management's estimates were considered for depreciation.

## H. New Accounting Pronouncement

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Montessori Association of South Texas has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

## I. Functional expenses

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

The expenses that are allocated include the following:

Method of Allocation
Time and Effort
Time and Effort
Time and Effort
Square Footage
Full Time Equivalent
Time and Effort
Square Footage
Square Footage
Time and Effort
Time and Effort
Time and Effort
Square Footage
Full Time Equivalent
Time and Effort

# 2. AVAILABILITY AND LIQUIDITY

The following represents the Academy financial assets at August 31, 2019:

Financial assets at year end:	2019 .
Cash in bank	\$ 319,628
Total financial assets	319,628
Less amounts not available to be used within one year:	
Net assets with donor restrictions	270,095
Less net assets with purpose restrictions to be met in	
less than a year	-
Quasi endowment established by the board	
	270,095
Financial assets available to meet general expenditures	
over the next twelve months	\$ 49,533

As part of the Academy's liquidity management, it structures its financial assets to be available as its general expenditures and liabilities become due by maintaining a significant portion of its assets in cash.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

#### 3. FAIR VALUE MEASUREMENT OF FINANCIAL STATEMENTS

The requirements of Fair Value Measurements and Disclosures of the FASB Accounting Standards Codification (ASC) apply to all financial instruments and all nonfinancial assets and nonfinancial liabilities that are being measured and reported on a fair value basis. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB also establishes a fair value hierarchy that categorizes the inputs used in valuation methodologies into three levels.

Inputs may be observable or unobservable. Observable inputs are inputs that are developed using market data, such as publicly available information about actual events or transactions, and the reflect the assumptions that market participants would use when pricing the asset or liability. Unobservable inputs are inputs for which market data are not available and that are developed using the best information available about the assumptions that market participants would use when pricing the asset or liability. A three-tier hierarchy categorizes the inputs used to measure fair value as follows:

Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

Level 2 Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets:
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 Unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

The Academy does not have any financial instruments that apply to this three-tier hierarchy.

#### 4. CONCENTRATIONS

#### A. Cash in Bank

The Academy maintains bank accounts with Chase Bank. Federal deposit insurance on the Chase Bank accounts totaled \$250,000 on accounts. The book balance totaled \$319,628 and the bank balance totaled \$326,182 on August 31, 2019. The Academy maintains its cash with high quality financial institutions which the Academy believes limits these risks.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

## 4. CONCENTRATIONS (continued):

#### B. Revenues

The principal source of revenue for the Academy is its receipt of state program revenues received from the Texas Education Agency.

#### 5. PENSION DISCLOSURE

The Foundation participates in a cost-sharing multiple-employer defined benefit pension that has a special funding situation. The plan is administered by the Teacher Retirement System of Texas (TRS). TRS's defined benefit pension plan is established and administered in accordance with the Texas Constitution, Article XVI, Section 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution. The pension's Board of Trustees does not have the authority to establish or amend benefit terms.

All employees of public, state-supported educational institutions in Texas who are employed for one-half or more of the standard work load and who are not exempted from membership under Texas Government Code, Title 8, Section 822.002 are covered by the system.

Name of Plan: Teacher Retirement System of Texas

Plan Number: N/A Zone Status: Unknown

(number in thousands)

176,942,454 1. Total Plan Assets 2. Accumulated Benefit Obligations 209,611,329

3. The plan is 73.74% funded

### **Benefits Provided**

TRS provides service and disability retirement, as well as death and survivor benefits, to eligible employees (and their beneficiaries) of public and higher education in Texas. The pension formula is calculated using 2.3 percent (multiplier) times the average of the five highest annual creditable salaries times years of credited service to arrive at the annual standard annuity except for members who are grandfathered, the three highest annual salaries are used. The normal service retirement is at age 65 with 5 years of credited service or when the sum of the member's age and years of credited service equals 80 or more years. Early retirement is at age 55 with 5 years of service credit or earlier than 55 with 30 years of service credit. There are additional provisions for early retirement if the sum of the member's age and years of service credit total at least 80, but the member is less than age 60 or 62 depending on date of employment, or if the member was grandfathered in under a previous rule. There are no automatic post-employment benefit changes; including automatic COLAs. Ad hoc post-employment benefit changes, including ad hoc COLAs can be granted by the Texas Legislature as noted in the Plan description in (A) above.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

## 5. PENSION DISCLOSURE (continued)

#### Contributions

Contribution requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas legislature to establish a member contribution rate of not less than 6% of the member's annual compensation and a state contribution rate of not less than 6% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year. Texas Government Code section 821.006 prohibits benefit improvements, if as a result of the particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action.

Employee contribution rates are set in state statute, Texas Government Code 825.402. Senate Bill 1458 of the 83<sup>rd</sup> Texas Legislature amended Texas Government Code 825.402 for member contributions and established employee contribution rates for fiscal years 2018 thru 2019. It also added a 1.5% contribution for employers not paying Old Age Survivor and Disability Insurance (OASDI) on certain employees effective for fiscal year 2017 as discussed in Note 1 of the TRS 2018 CAFR. The 83<sup>rd</sup> Texas Legislature, General Appropriations Act (GAA) established the employer contribution rates for fiscal years 2018 and 2019.

	4 91	1.1	TO /
(.0	ntri	bution	Rates

	_	
	2018	2019
Member	7.7%	7.7%
Non-Employer Contributing Entity (State)	6.8%	6.8%
Employers	6.8%	6.8%
2019 Employer Contributions		\$ 195,644
2019 Member Contributions		\$ 114,020

Contributors to the plan include members, employers and the State of Texas as the only nonemployer contributing entity. The State is the employer for senior colleges, medical schools and state agencies including TRS. In each respective role, the State contributes to the plan in accordance with state statutes and the General Appropriations Act (GAA).

As the non-employer contributing entity for public education and junior colleges, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year reduced by the amounts described below which are paid by the employers. Employers (public school, junior college, other entities or the State of Texas as the employer for senior universities and medical schools) are required to pay the employer contribution rate in the following instances:

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

## 5. PENSION DISCLOSURE (continued)

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under Section 21.402 of the Texas Education Code.
- During a new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.
- When the employing district is a public junior college or junior college district, the employer shall contribute to the retirement system an amount equal to 50% of the state contribution rate for certain instructional or administrative employees; and 100% of the state contribution rate for all other employees.

In addition to the employer contributions listed above, when employing a retiree of the Teacher Retirement System the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

There have been no changes that would affect the comparison of employer contributions from year to year.

#### 6. FIXED ASSETS

The Excellence in Leadership Academy received donated property in the amount of \$23,318 from Luz para Las Naciones, Inc. These assets were valued at fair value at the time of acquisition.

Fixed Assets at August 31, 2019 were as follows:

Building and Improvements	\$ 33,200
Furniture, Fixtures and Equipment	101,311
Total	134,511
Less: Accumulated Depreciation	(34,106)
Property and Equipment, net	\$ 100,405

### 7. OWNERSHIP IN PROPERTY AND EQUIPMENT

Capital assets acquired with public funds received by the Academy for the operation of Excellence in Leadership Academy constitute public property pursuant to Chapter 12 of the Texas Education Code. These assets are specifically identified on the Schedule of Capital Assets for the Excellence in Leadership Academy.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

### 8. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with Donor Restrictions for they year ended August 31, 2019 were as follows:

General Fund	\$ 228,668
Textbook Fund	18,414
Campus Activity Fund	23,013
Total	\$ 270,095

#### 9. OPERATING LEASES

The Academy entered into a lease agreement with Luz Para Las Naciones, Inc. Mission, Texas for 17,647 square feet of classroom and office space for its school operation. The lease covers the use of the parking lot and the back yard area. The base rent of \$10,323 is due on the 26<sup>th</sup> of each month. The lease agreement is for five (5) years and commenced on July 1, 2012. Luz Para Las Naciones, Inc. has donated the first and second year's rent to the Academy as part of its start up budget.

The Academy renewed on January 25, 2018 with the lease payment of \$15,882 due by the 30<sup>th</sup> of each month. This lease agreement is for one year and will expire on December 31, 2018. Beginning January 2019, The Academy renewed the lease agreement with the lease payment of \$17,852.40 due by the 25<sup>th</sup> of each month. This lease agreement is for two years, it is scheduled to expire December 31, 2020.

The total lease payments as of August 31, 2019 were \$206,348.40.

The annual rents for the next year are as follows:

2020		\$214,229
2021		71,410
	Total	\$285,639

#### 10. COMMITMENTS AND CONTINGENCIES

The Academy receives federal and state funds which are governed by various rules and regulations by the grantor. Expenses charged to the grant programs are subject to audit and adjustment by the grantor agencies. In the opinion of management, there are no contingent liabilities relating to compliance with the rules and regulations governing the grants other than as reflected in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS For The Fiscal Year Ended August 31, 2019

## 11. RECONCILIATION OF REVENUES FROM FEDERAL PROGRAMS

The Academy received revenues from federal programs for the year August 31, 2019 as follows:

Federal Monies Received	\$ 373,610
Per Audited Financial Statements	360,167
Difference	13,443
Federal Grants Receivable 2019	-0-
Federal Grants Receivable 2018	(13,443)
Balance	\$

# 12. EVALUATION OF SUBSEQUENT EVENTS

The Academy has evaluated subsequent events through January 27, 2020, the date which the financial statements were available to be issued.

# Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed In Accordance with Government Auditing Standards

Board of Directors Excellence in Leadership Academy

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Excellence in Leadership Academy (a non-profit organization), which comprise the statement of financial position as of August 31, 2019, and related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 27, 2020.

## **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Excellence in Leadership Academy's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Excellence in Leadership Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of Excellence in Leadership Academy's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we considered to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Excellence in Leadership Academy's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, the communication is not suitable for any other purpose.
